Optical Apprenticeship Program **Build a Career. Not Just a Job.**

The Eye Care Center is seeking a select few high-performing individuals who are motivated to take the next step in career advancement. This practice-sponsored opportunity is for individuals who demonstrate reliability, professionalism, and a desire to learn and grow a long-term career in optics.

Individuals that complete the program successfully earn a NYS license in opticianry with the opportunity to join our experienced and dedicated team of opticians.

What It Is

- Selective, employer-sponsored pathway to becoming a professional optician
- Designed for high-performing, dependable team members
- Includes education, mentorship, and exam preparation

Who Should Apply

- Individuals pursuing a long-term optical career
- Team members who consistently exceed expectations
- Strong learning initiative and optical fundamentals
- Committed to accountability, professionalism and growth

Minimum Requirements and Performance Standards

- Solution-driven attitude
- Excellent customer service skills
- Strong written and verbal communication
- References from current employer, supervisor, educator
- Prepared to represent the practice at an advanced level

What You Receive

- Pay range \$18-\$21/hourly
- Paid tuition, training time (when applicable) and approved education costs
- Mentorship and structured learning
- Leadership and growth opportunities
- Future wage and bonus consideration

Your Commitment

- Two-Three years of full-time employment
- Maintain all performance standards
- Prorated repayment if commitment is not fulfilled (*as permitted by law*)
- 30-60 days working as an optical stylist
