

INT. EMPLOYEE BREAK ROOM - DAY

Peggy is sitting at her break table reading a magazine and drinking coffee when Alexis approaches the table and sits down. Peggy is surprised to see her.

ALEXIS

Peggy, Hey!

PEGGY

Alexis, what are you doing here?

ALEXIS

I work here now.

PEGGY

What?

ALEXIS

Yeah. I have my orientation in a few minutes. So, that money I owe you... I can finally pay you pay back in, like, three months or so.

PEGGY

You got a job here?

ALEXIS

Yep. Acquisitions. Third floor.

PEGGY

What? That's my department.

ALEXIS

Yeah, cool, huh?

PEGGY

What are you going to be doing?

ALEXIS

Not really sure, acquisitions I think.

PEGGY

Seriously?

ALEXIS

I know, how cool is that?

PEGGY

How? You don't have any experience in this field. Hell, you've never even worked in an office before.

ALEXIS

Right, but the thing is, I have a killer resume. Okay, I may have exaggerated a little, but who cares? I killed it the interview. They totally loved me.

PEGGY

What did you put on your resume?

ALEXIS

Oh, I put really amazing things on it...

Alexis takes out a copy and shows her. Peggy is shocked.

ALEXIS

Isn't that sweet?

PEGGY

Oh my god, Alexis. This is my resume.

ALEXIS

No, it's mine. See, my name is right there.

PEGGY

No, this is my resume, you just copied it and put your name on it.

ALEXIS

I made it prettier. Look, I even put a flowers along the border.

PEGGY

You can't do this.

ALEXIS

Oh no, you have been hounding me for months to pay you back. So, I figured, in the interest in saving our friendship, I did what I had to do.

PEGGY

If they find out, they'll fire both of us.

ALEXIS

I doubt it, because I'm going to rock acquisitions, baby.

PEGGY

You don't even know what that is?

ALEXIS

Look, I'm a fast learner, I'll have all that stuff down in no time. I just need you to teach me.

PEGGY

I can't do my job and teach you, too. I don't have time for that.

ALEXIS

You want me to pay you back or not?

PEGGY

Yes, but....

Alexis gets up to leave.

ALEXIS

Okay then... I'm going to my orientation now. I'll see you on the third floor when I take the tour.

She starts to exits, then...

ALEXIS

Oh, really quick, what is an acquisition?

Peggy is fuming.

ALEXIS

Just kidding... Kind of...

Alexis exits. Peggy reacts.
