

# Report Uncleared Sidewalks!

**It's the law: Property owners are responsible for keeping their sidewalks clear of snow and ice.**

**Walking to the bus stop, to work, or to the store doesn't have to be dangerous!**

**Icy sidewalks or even an inch of snow can be a big problem for kids walking to school, senior citizens or people with disabilities.**

**Sidewalks must be cleared by 9 am after an overnight snowfall, or by 8 pm after a daytime snowfall.**

**Help Make our City Safe for All!**

**Report uncleared sidewalks in your neighborhood by calling 3-1-1.**
