## HUMIC-FULVIC MINERALS

BiomeMax™ Bio-Active Humic/Fulvic Mineral Blend is a multipurpose supplement that promotes overall wellness and homeostasis in the body. It has also been shown to increase nutrient absorption from food and increase cellular hydration. It is derived from ancient plant matter, rich in minerals, vitamins, trace elements, and amino acids in a Ph-balanced state, which work together to encourage enhanced wellness by providing the body with key minerals and trace elements. They work in tandem as a binder to aid in the removal of toxins during cleansing.
