

EXPERTLY DESIGNED  
WITH SUPERIOR INGREDIENTS

**EyeDentify™** by Jordan Early is an innovative line of beauty products that are loaded with Natural American Grown CBD Rich Hemp extracts now enhanced with CBG. Expertly designed, our superior ingredients are the key to this groundbreaking collection that can keep your skin clean, hydrated, nourished, and glowing.

We start with federally compliant phytocannabinoid rich (PCR) extracts that are produced, manufactured, and distributed legally in the United States. The certified hemp used in the **EyeDentify™** blends contains no fungicides, no pesticides, no heavy metals, and is free from mildew and mold.

All **EyeDentify™** products are proudly manufactured in America. Our hands-on operation makes our brand matter to us on a personal level. When our blends pass from our hands into yours, you can rest assured that you have received an elite formulation, the result of our team's skilled and steadfast work. Get an Early start on your beauty routine with **EyeDentify™**!

We offer private labeling and custom formulation for this line of products, which can help your brand reach its full potential!

## EYE CREAM

Some areas on the skin need a little extra love. Help uplift and brighten fatigued eyes with our silky-smooth eye cream. Our blend absorbs quickly, allowing your skin to experience a robust balanced-spectrum natural Hemp extract formulation without a greasy residue. EyeDentify™ Eye Cream aims to help soothe the puffy areas around the eyes, aid in reducing the appearance of fine lines, and encourage an improved tone of dark circles.

## FACE LOTION

The next step on the quest to obtain and maintain radiant skin is to replenish moisture and nutrients. Our luxurious Face Lotion provides advanced nourishing care for all skin types. Dynamic American Grown Hemp extracts combine with powerful antioxidants and gentle cosmetic-grade ingredients to help combat the signs of aging such as dullness, fine lines, and loss of elasticity. Phytocannabinoids possess properties that have been shown to help soothe skin. Our unique formulation can help foster a balance in the hydration of your skin, supporting a natural, healthy glow. Healthy skin is beautiful skin, and your skin deserves EyeDentify™.

## FACE WASH

EyeDentify™ by J Early Natural Hemp Infused Face Wash, the first step in having radiant skin is having clean skin. EyeDentify™ Face Wash is a gently formulated, cosmeceutical cleanser that can be applied to all skin types and can have optimal results when used in a daily skincare regimen. Our face wash can deep clean to help unclog pores while calming with Natural Hemp extracts. Our Face Wash can help to promote homeostasis of the skin, laying a balanced foundation for your skincare routine.

## LOTION

EyeDentify™ Hemp Infused Lotion knows your face is not the only place that can benefit from silky smooth, fast absorbing, long lasting lotion. Our phytocannabinoid rich extract infused lotion is a non-greasy, long lasting, and deeply nourishing moisturizer. CBD rich extracts combine with powerful cosmetic grade ingredients to help soothe, moisturize, and revitalize the skin.

## MASSAGE OILS

Our revolutionary, all natural massage oils are Infused with 250 mg of Federally compliant CBD Rich natural American grown Hemp Extract, and ready to provide relief. For professionals, the Hemp extracts have been known to transfer relief into your own hands as you bring comfort to your client, providing relaxation for both of you. For clients at a spa, or for patrons utilizing our massage oils at home, premium hemp extracts and essential oils in our massage oils may provide benefits that extend beyond the massage itself. Longer lasting effects help you get the most out of your massage, which not only aids in relaxation, but can also help keep you focused and moving longer. Add our massage oils to your business shelves, your bathroom cabinet, or to your gym bag!

## SERUM

EyeDentify™ by J Early Natural Hemp Infused Serum is one of the most versatile products in our lineup. This powerhouse contains our specially formulated carriers infused with rosemary, clove leaf, cinnamon leaf, eucalyptus, frankincense, tea tree, myrrh, and bergamot essential oils. All of this combines with lemon extract to give our dynamic serum a pleasant, spicy, earthy smell. Loaded with potent antioxidants, our serum can provide solid protection, and it can rejuvenate the skin as well. Our unique blend of oils offers fortitude in a gentle, all-over formula that can help soothe skin, improve skin tone, decrease pore clogging and pore size, and promote skin strength and elasticity.
