## Picture Of The Month

### Whats Trending... this month, its LOVE.

What better way to connect with someone, show your appreciation or just kick back and relax than with food. Whether you are a self proclaimed chef or culinary challenged, we invite you to prepare something for someone else. It can be sweet or savory, prepared from scratch or semi-homemade. Get creative, have fun and throw a little caution to the wind, you might just surprise yourself. The gesture is sure to be appreciated.

*Approach love and cooking with reckless abandon.*

Their 13,000 sq ft store includes all of the latest music releases on CD and vinyl, as well as unique gifts and toys, vintage clothing and furniture, t-shirts, souvenirs, 1000's of movies, audio equipment and more! Did you know they have a full beer and wine license and they host events? Come see us both in action on Fickle Friday Night Live. 2/21 & 2/28 4-7pm

### Meet Our Peeps

Meet the very charming Brian Connel! Brian has been with Team Tasteful for 9 months now, and is a wonderful addition to our team! His favorite TC dish is our homemade focaccia! Brian says his favorite aspect of the job is the client interaction, and knowing we went above and beyond with both our food and service to provide not only a great event but also a great experience! In his spare time, Brian enjoys hiking and being outdoors. A fun fact about Brian is that he spent 8 months traveling around South America and made it to 8 different countries down there! Thank you for everything you do Brian, we really appreciate you!
