Area Variance-Frontage

ZBAV-2025-018

SBL#79.00-1-27

Proposal: Subdivide property in AR district into two lots, each with ~135 ft frontage (required: 150 ft). Intended to separate house and barn from main parcel and later build a house on remaining land (approx. 50 acres).

Applicant Statement:

- Wants to subdivide to build a future home.
- Existing barn is on the parcel to be separated.
- Notes property has 269.5 ft total frontage.

Public Comments:

- **Martin Hixson, 4602 Ridge Rd:** Strong opposition; concerns about new neighbors, loss of privacy, flooding issues, farmland preservation.
- **Francis Brosman, 7924 Townline Rd, Appleton NY:** Concerned about area becoming developed, loss of rural character.
- **Sue Krone, Plank Rd:** Concerned about how the lot is being split.

Date: November 17, 2025

Time: 6:30 PM

Location: Town Hall Meeting Room, 4160 Upper Mountain Road, Sanborn, New York

- **Dehlinger, 4686 Ridge Road:** Agrees with Mr. Hixson. Concern about rules being inconsistently enforced. Concerned about zoning regulations being changed often.

Board Questions & Discussion:

- Lot is approximately 50 acres; applicant seeking to create 1-acre lot with 135 ft frontage.
- Board noted difficulty was self-created, purchased knowing zoning could restrict development.
- Considerations:
 - Impact on neighborhood character
 - Substantiality of variance (15 ft short per lot)
 - No major environmental or traffic concerns

Decision:

Motion: For Negative SEQR Declaration

- Made by: Mr. March
- Seconded by: Ms. Retzlaff-Hurtgam
- Vote: All in favor. Motion carried.

Motion: To deny the variance based on self-created hardship and non-compliance with frontage requirements.

- Made by: Mr. March
- Seconded by: Mr. Andrews.
- Vote: All in favor of denial.
- **Application denied.**

Note: It was during this discussion that Board Members, Mr. Andrews and Mr. Milleville arrived at the meeting.

Town of Cambria Zoning Board Meeting Minutes

Date: November 17, 2025

Time: 6:30 PM

Location: Town Hall Meeting Room, 4160 Upper Mountain Road, Sanborn, New York

Proposal: Install communications structure, including antennas and equipment racks, adjacent to existing SpaceX facility. Includes fenced compound (196 ft x 197 ft), screening with juniper trees, connected via existing driveway.

Key Details:

- 8 ft chain-link fence with privacy slats.
- Landscaped perimeter with juniper trees (6–10 ft tall at maturity).
- No new curb cut required.
- Facility unmanned; minimal traffic.

Public Comments:

- **Duncan Ross of 4746 Townline Road:** Concerned about aesthetics; suggested better building design instead of hiding it. Mr. Ross asked what facility does.
- **Linda of Lockport Road:** Concerned about safety and content of facility (EMF, hazardous materials).

Applicant Responses:

- Facility receives satellite signals (Starlink), converts to fiber transmission.
- Same as the existing facility; non-hazardous, no gas, no storage, no radioactive materials.
- No external structures besides antennas and equipment.
- FCC compliant; low EMF exposure risk.

Board Discussion:

- No significant change to neighborhood character.
- Low noise, minimal traffic, no lighting or material storage.
- Not considered a homeland security or terrorism risk.
- Same operations have existed on property since ~2021.

Decision:

Motion: for Negative SEQR

- Made by: Mr. Andrews
- Seconded by:
- Vote: Approved. All in favor. Motion Carried.
