To Whom It May Concern:

I am writing this letter to recommend Jorns CARES Act for their outstanding services in filing for Employee Retention Tax Credit (ERC) for my trucking company. As the owner of Bullins Trucking, I talked to my CPA about whether we would qualify for ERC, but I was told that we did not qualify. When I spoke to Jason at Jorns CARES Act, he had a different view and he asked me to let them do a second review risk-free. I was initially hesitant because I did not want to waste anyone's time, having been told that we did not qualify, but Jason was persistent, and eventually convinced me to give them a shot. After providing the required documents, Jorns CARES Act conducted a thorough review of our eligibility for ERC. I was surprised and thrilled when Jason called to inform me that not only did we qualify, but we qualified for all six available quarters!

I was impressed with the professionalism and expertise demonstrated by the Jorns CARES Act team throughout the entire process. They made the process seamless and simple for us to follow, and the money that we received because of their efforts will be invested in our people and our business. If you are unsure about ERC or confused about the process, I highly recommend you let Jorns CARES Act conduct their risk-free evaluation for you. They have a dedicated and knowledgeable team that will guide you through the process and ensure that you get the maximum benefit that you are entitled to.

Thank you, Jorns CARE Act, for your excellent work.

Sincerely,

Steve Bullins
