I am writing this letter to highly recommend JCA Specialists for their exceptional work in completing ERC processing for Wedgewood Accounting. Throughout our professional relationship, JCA Specialist has consistently demonstrated their expertise and dedication, making them an invaluable partner to our firm.

Due to time constraints and limited resources, we were unable to process Employee Retention Credit (ERC) applications. Hence, we initially approached JCA Specialist to inquire about the eligibility of Wedgewood Accounting itself, and we were pleased to find out that not only did our firm qualify for this significant opportunity, but that JCA Specialist had the resources to facilitate this opportunity for our clients.

JCA Specialist's knowledge and experience in navigating the complexities of ERC processing have been instrumental in ensuring that our clients receive the benefits they are entitled to. Their attention to detail, promptness, and accuracy in handling the necessary documentation has consistently exceeded our expectations. Moreover, their professional and proactive approach has instilled confidence in our firm and clients.

Since partnering with JCA Specialist, we have referred a total of 20 clients to them, and the feedback we have received has been overwhelmingly positive. Our clients have expressed satisfaction with the level of service provided, citing the JCA Specialist's ability to guide them through the intricacies of the ERC program with ease and efficiency.

JCA Specialist's commitment to client satisfaction and deep understanding of the ERC process sets them apart in the industry. Their expertise and dedication have helped our firm augment its services and provided significant financial benefits to our clients.

Based on our experiences and the exceptional results achieved through our collaboration, I wholeheartedly recommend JCA Specialist to any organization seeking assistance with ERC processing or related accounting services. Their professionalism, expertise, and commitment to excellence make them a highly reliable and trusted partner.

If you require any further information or have any questions, please do not hesitate to contact me. Thank you for considering JCA Specialist as a valuable resource for your organization.

Sincerely,

Scott D. Hall, CPA
