

Dear Fellow Small Business Owner,

As a business owner, you understand the importance of finding the right partners that will add value and ensure success. I am writing this letter to enthusiastically recommend JCA Specialist for their outstanding professionalism and expertise in the Employee Retention Credit (ERC) process. As the CEO of ORSA Technologies, a veteran-owned business and Small Business CEO of the Year of the State of Arizona, I had the pleasure of working with JCA Specialist, and their services have been invaluable to our organization.

Throughout our collaboration, JCA Specialist consistently demonstrated excellent communication skills, ensuring that we were well-informed at every step of the process. Their ability to explain the intricacies of the ERC process in a clear and concise manner made it easy for us to understand the requirements and complete the necessary documentation in a timely manner.

I am proud to share that, with JCA Specialist's guidance, our veteran-owned small business was able to recover over \$800,000 in credits through the ERC program. This significant accomplishment has had a profound impact on our organization, empowering us to continue serving our community and furthering our mission.

I wholeheartedly endorse JCA Specialist for their exceptional service and expertise in the ERC process. Their dedication and proficiency make them an invaluable asset to any organization, especially small businesses like ours, seeking to recover funds through the CARES Act. Their commitment to client success and their deep understanding of the ERC process sets them apart from others in the industry.

If you are seeking a reliable and knowledgeable partner to guide you through the ERC process and maximize your benefits, I strongly recommend JCA Specialist to any small business who has not placed an ERC claim. Even if you were told by others you don't qualify, let JCA Specialist take a second look, risk-free. Their professionalism, expertise, and commitment to excellence make them an outstanding choice for organizations of any size.

If you require further information or have any questions, please do not hesitate to contact me. Thank you for considering JCA Specialist as a valuable resource for your organization.

Sincerely,
