

# Family Focus

Our Mission: To provide knowledgeable & compassionate care that enhances the lives of those we serve

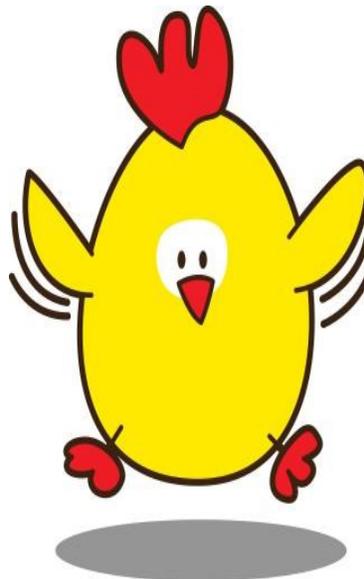

## MEET OUR MEDICAL TEAM—DR. MARGARET EBERL OF MOBILE PRIMARY CARE

"I am from Buffalo. I graduated from UB Med school in 2000. After medical school, I completed a residency in family medicine and also a residency in general preventive medicine. As part of the preventive medicine residency, I earned a masters in public health. For my masters thesis, I studied breast symptoms in women under 40 and their correlation with a breast cancer diagnosis. I also researched the use of insurance company claims to track the follow up of abnormal mammograms. After my preventive medicine residency, I was awarded an NIH fellowship in health disparities. This allowed me to continue my projects with Dr. Martin Mahoney and Dr. Stephen Edge at Roswell Park. During this time, I became very interested in smoking cessation and techniques to support patients in their smoking cessation efforts. I helped enroll patients in smoking cessation trials and gave CME lectures on this topic to providers.

After this fellowship, I took a position at Roswell providing palliative and end of life care. I did this for about a year before returning to my roots and joining a local primary care practice. After several years, I decided to make another change and am now working in geriatrics and rehab medicine caring for the residents of several area nursing homes."

**Chiavetta's Chicken BBQ**  
**Dinner — 2:00—6:00 pm**  
**DRIVE THRU FRI., JUNE 7**  
**at Schofield Residence**

**Dinner includes:**  
**Chicken, Potato Salad, Cole Slaw and Roll**  
**Proceeds benefit**  
Schofield Care Crusaders Bike Team for Ride for Roswell

## Time to Refresh

Painting of rooms, new furniture and flooring continues this month and summer as we refresh all rooms.

Please be assured that we are using non-toxic, low VOC paint to freshen up. We also strive to minimize any interruption to your loved one's routine. If you have a question, please call or email Olivia Rozycki, our Administrator, at 874-1566 or [orzyski@schofieldcare.org](mailto:orzyski@schofieldcare.org).

Thank you for your patience as we work to improve our surroundings.

### Questions, Suggestions or Concerns?

Please contact our  
Administrator, Olivia  
Rozycki at (716) 874-  
1566, Ext. 6303.

### PLEASE SIGN IN

For your safety, our residents and staff, all visitors are required to sign in and out at the front reception desk in the lobby. This record is very important and also helps us to find a visitor in the event of an emergency or urgent matter.

Thank you for remembering to put the time of your arrival and departure and who you are visiting in the registration book.

### Thank You to Families of Dorothy Kumrow and Hannah Sullivan

We are sincerely humbled that the Kumrow and Sullivan families named Schofield Care as the beneficiary of donations made in their memory.

Both women were residents of Schofield. The Kumrows and Sullivan families' thoughtfulness and all gifts to the Schofield Foundation mean the world to hundreds of elders and vulnerable individuals cared for by Schofield.

## NEWS & NOTES

### Tips for Safe Outdoor Visits

Warm weather is here and it's time to go outside! Schofield's grounds are very popular with residents and guests. Take the time to enjoy them with your family member. A few safety precautions will make your walk fun for everyone:

- \* The safest areas to use for outdoor walks are the paved walkways that go around our building, and the paved garden areas.
- \* Due to the large amount of traffic in and out of our parking lot (especially during shift changes) please use extreme caution if you choose to wheel someone in the parking lot.
- \* Parked vehicles can obstruct a driver's view if you are walking in the lot. All drivers must drive slowly and watch carefully for pedestrians and wheelchair traffic.
- \* The safest way to get a wheelchair down an incline is by backing it down.
- \* For your loved one's safety and security, please let the Nursing Staff and our receptionists know when you are taking a resident outside.

Please protect your loved one from the sun — sunscreen is available at the reception desk.

### Fun in the Sun! See our June Activities:

- ♥ Pool Noodle Baseball on Wellness Patio, Tues., June 4 at 10:30 am
- ♥ Sing along with Tony Pedulla, Tues., June 4, at 2:30 pm
