

Our Scope of Services

Adult Day Health Care –
Health care, social activities and support services. Six days per week.

In-Home Care –
Providing care for you or a loved one in the comfort, privacy and safety of your own home.

Mondello Wellness & Family Center –
Health screenings, education programs and other wellness-related activities for senior adults and their families.

Nursing Home Care –
24/7 medical care in a beautiful, home-like setting. Our nursing home care also provides:

- **Hospice and Palliative Care** – Comforting and specialized care for those facing a serious or life-limiting illness.
- **Rehab** – Specialized, short-term care for those with recent illness, injury or surgery.

Traumatic Brain Injury –
Several programs including waiver services to address the cognitive, physical and emotional aspects of individuals with TBI.

Veteran Care –
Services available for veterans at home, those in need of adult day health care, short-term rehab, or skilled nursing care.

110 Year Anniversary

Schofield Care

*As time goes on and our institutions grow...
nothing should be left undone that in any way
would add to their comfort and happiness”.*
Dr. Jennie Schofield

Schofield Care has been serving Western New York for 110 years. Initially known as The Wheel Chair Home, founded by Dr. Jennie Schofield, Schofield has been a resident in the KenTon area almost since its inception. However, our reach goes beyond the village and town borders whether it be with residents in our nursing home, rehab patients, those receiving home health care services, or those who have participated in Scofield’s Adult Day Health Care programs.

Due to the limitations created by the COVID 19 virus, Schofield Care commemorated this special anniversary by “hosting” a non-event event gala in October 2020. We are **especially grateful** to our sponsors, donors, friends and family members who contributed to this celebration. Their partnership impacts Schofield’s very important work in caring for the most vulnerable, frail adults we serve and helps provide the necessities for their comfort.

Because of their generous support, we are able to purchase a new bladder scanner, 20 wheelchairs and 10 bariatric chairs.

Thank You!

Jennie Schofield Society

In 1910, Dr. Jennie Schofield served with a group of volunteers to establish the Wheel Chair Home, now known as Schofield Residence. We are sincerely grateful to the Jennie Schofield Society members below who have provided for Schofield in their wills, trusts, retirement plans, life insurance policies, or other estate plans. Through their generosity, they hold the future of Schofield close to their hearts.

Benefit Fund Inc.

THANK YOU to all our donors whose gifts were received from January 1, 2020 through December 31, 2020. You assist us in serving those who are in Schofield’s care. Please contact the Schofield Foundation at (716) 436-6307 should you find an error or omission in our listings so we may correct our records.

New Training Manikin

Due to the generosity of Schofield’s Board of Directors member Darlene Maclay and donor Cecelia Kohlmeier, we were able to replace our dated training manikin with a state-of-the-art model. *Darcee*, much more realistic of a resident, replaces our former 20 year old manikin. Madhulika Topolski, LPN, Schofield’s In-Service Coordinator, is very excited to welcome *Darcee* to her department. This modern day manikin enables Madhu to test skill competencies, provide guidance on Schofield’s Policies and Procedures when assisting and caring for our residents both in long-term and short-term care. IV’s, injections and wound care are just a few of the necessary features *Darcee* brings to training. Our nursing staff is most grateful to Darlene and Cecelia. Thank you!

Schofield...A Legacy of Caring

Jennie Schofield Society

Many times we think charitable gifts, or planned gifts, only come from wealthy people. In reality, many estate gifts come from people of with a variety of giving capacities. Donors like you include legacy gifts to charities in their wills, as percentage of their estate, or through a distribution from an IRA*. A simple charitable bequest provides meaningful support for the future of Schofield Care. Leaving a legacy through a charitable gift will minimize estate taxes. In any case, be sure your will and other estate plans reflect your wishes. An up-to-date, valid will also protects your loved ones.

If you are interested in a bequest to Schofield Care, please speak with your attorney and/or financial planner. Should you elect to leave a bequest to Schofield, you will need to provide your advisor the following information:

Schofield Foundation
Mission Advancement Office
3333 Elmwood Ave.
Kenmore, NY 14217

Our EIN is 16-1190702 (This is how we are identified by the IRS)

Bequest gifts have no financial limitations and may be made for a general or specific purpose.

Should you have any questions, please do not hesitate to call Linda Sroka, Director of Mission Advancement at (716) 436-6307.

**Do you normally take a distribution from your IRA and don't really need it or want it to affect your income? You can make a gift directly to Schofield Care, and you may lower your taxes, too. Your financial advisor will be able to assist you.*

Our Vision

Develop healthcare, residential living, and community based services to benefit adults of all ages.

Our Mission

Provide knowledgeable and compassionate care that enhances the lives of those we serve.
