

Common Replacement Filter Elements

Refer to the simple guide below to identify the correct filter cartridge element for your PDC Spas® hot tub or swim spa.

Order directly from the PDC Spas® factory or your retailer referencing the PDC part #, or refer to the manufacturer name and part # to order from an alternate source.

It is recommended to always have an extra element on hand to avoid any down-time during filter clean and change.

Hot Tub Series	Produced	Description / Specifications	PDC Part #	Manufacturer Part #
Luxury, Premium, SE and LX	1990-present	25 sq. ft. element 5" diameter, 13 ⁵ / ₁₆ " long 2 ¹ / ₈ " top / bottom holes	FLT-201TL	Unicell C-4326
