**Details:**

In addition to filling out the form, please attach pictures and/or video. Phone pictures and videos are acceptable. If students are shown in the photograph, the school should have a release form on file for their photograph.

Teachers can nominate themselves or a colleague can nominate them to show that there is creativity in being safe. Parents, students and districts may nominate as well.

We plan to run this bi-weekly on our social media accounts.

If we use your submission on social media, we'll send you some Common Ground/Healthi Kids/ROC COVID swag.
