

With a wide range of experience in the real estate development process, Daniel represents individuals and public and private companies in regulatory compliance and transactions. Daniel's practice combines zoning, litigation, environmental, and real estate disciplines. Daniel focuses on obtaining permits and municipal approvals for commercial, energy, low-income housing and telecommunications development. Daniel works closely with municipalities to anticipate potential obstacles and make the approval process run more efficiently.

PRACTICE AREAS

Commercial Real Estate
Construction Law
Litigation
Tax Assessment
Zoning & Land Use
Affordable Housing
