Consuming raw or undercooked meat, seafood, nut or egg products can increase your risk of food borne illness. Please notify your server before placing your order of any food allergies or other food sensitivities. Not all ingredients are listed on the menu. We fry with peanut oil. Peanut oil is a vegetable oil that is naturally free of cholesterol and is low in saturated fat. There have been numerous studies conducted in the US and abroad showing that individuals who are allergic to peanuts do not have reactions to refined peanut oil. Refined peanut oil has gone through extensive processing that effectively removes the protein, which causes the allergic reaction.
