## POLICIES AND PROCEDURES

### ORDERING:

ONLINE ORDERING IS THE MOST ACCURATE AND FASTEST WAY TO ORDER, AND IS ALWAYS AVAILABLE! Orders faxed in, must be on form provided by Advanced Door Concepts. Orders will be confirmed within 24 hours. It is the responsibility of the customer to check order, sign it, and fax back, before order will be put into production. Use only the color name of the Advanced Door Concepts vinyl swatch, not the name or number of the laminate or melamine that you want to match. Advanced Door Concepts is not responsible for incorrect sizes, colors, or profiles ordered. Once final sign off has been received, the order cannot be canceled or changed for any reason. Additions or changes must be placed as an additional order. A delivery date will be given at the time the order is placed. Shaker doors, glass doors, flutes, non-stock colors and special orders will take longer. On special order colors, delivery is not guaranteed by a specific date. Add-on parts will ship separately with addition freight cost to customer.

### SHIPPING

All in stock color orders will be processed within 24 hours, and delivery scheduled within 10 working days. Orders may be picked up with prior notification. All shipping charges are the responsibility of the customer. Only COD, cash and pre-payment credit card orders are accepted.

### SPECIAL REQUEST

If you need something custom – ask us, we will do our best to accommodate your needs.

### NEW ACCOUNTS

An application must be filled out completely before an order will be processed.

### WARRANTY

We warranty our products, under normal wear and tear conditions, to be free of any manufacturing defects for a period of five years from the date of purchase. Alteration to original material is not warranted. Warranty is void if there is direct exposure to excessive heat and/or sunlight. We reserve the right to inspect defects and site conditions if defects arise. Our products are designed for interior, temperature controlled areas only. Original invoice is necessary for any warranty work to be honored. We need the defective product back in order for it to be replaced at no charge. Replacement limited to product only, no labor, freight, etc. Slight variation in profiles may occur due to tooling, slight color variation may occur due to differences in suppliers. Check for availability of original material.

### PRICE

Prices are subject to change without notice. Door prices are per square foot with a minimum of 1 sq. ft. per door or drawer front. A minimum width or height of 5" will be used in figuring all sq. ft. charges. Orders of 10 pieces or less are subject to an additional fee. Sales tax, COD and shipping charges are additional.
